Dear member

HERON SWIMMING CLUB – 2011 SEASON

As a result of our impending planning permission for the land we have decided to open the pool as normal, however, it is likely that the land will be developed later in the year and therefore it will be run on a month by month basis and be charged accordingly.

The pool will open from the 1st May 2011 and payment for this month will be required to be paid by Easter, thereafter payment for each month must be received a week prior to the end of the month for the following month with no exceptions. In addition to this to enable us to control membership and attendance, it will be necessary for all categories to register their membership prior to the 11th March 2011. The one-off joining fee, whatever the category, is £15.00 and must be paid before 11th March 2011, thereafter the joining fee will be £30.00. This will enable you to choose whether you wish to swim for one month or four months. In addition to this will be the charge per month as set out below. For example the cost for family membership will be a one-off £15.00 joining fee and then £50.00 thereafter per month you wish to swim payable by the month previous.

The rates will be:

Family membership (close family only)	£50.00 per month
Couple membership	£35.00 per month
Single membership	£25.00 per month

Guests of members will be charged at £3.00 a head.

Obviously the same rules apply as in previous years and overleaf is a copy of the rules for your information.

Attached is a joining and membership form for the first month 1st May 2011. If you wish to join please forward your membership fee of £15.00 by 11th March 2011 and fill out the application form and return to us by Easter at the latest.

Yours sincerely

Stuart R Shepherd
Managing Director

HERON SWIMMING CLUB MEMBERSHIP – 2011 SEASON
